Post Historian's Moment

In March 1942, Percy Whiting conducted a School of Personal Development exclusively for women in Greenwood. The school was sponsored by the Auxiliary of Keesler-Hamrick-Gillespie Post 29 American Legion. Greenwood is the first city in Mississippi to secure this course. The purpose of the school is to help women prepare to take over war time work more efficiently.

Veterans Day

Veterans Day events were well attended by Post 29 members at Pillow Academy, Golden Age Nursing Home, and North New Summit School, followed by a free luncheon meal at "Bistro by the Bridge".

Ring the Salvation Army Bell

Please sign up at tonight's meeting to ring the Salvation Army Bell at J. C. Penney's. Details will be provided during the meeting by Chairman, Jan Verhage. Get a buddy and sign up to show our community involvement and remember to wear your Special Projects ball cap.

TAPS

Richard Avant, Honor Guard Commander reported no military funeral services were held in the last month.

Funeral Service

Post 29 Honor Guard will serve as Honorary Pall Bearers for the funeral services of Richard Avant's brother, Joe T. Avant. Services will be held 13 December 2019 at 11am at North Greenwood Baptist Church. Joe Avant was an MIA from the Korean War.

Think

The difference between failure and success is doing a thing nearly right and doing it exactly right.

Fact

There is no greater joy or reward than to make a fundamental difference in someone's life.

The Post 29 officers extend a "Merry Christmas" to each and every Legionnaire and their families and a Happy and Prosperous New Year for 2020. May God continue to Bless this Great Nation and those who served in her defense.

For God and Country
