Post Historian's Moment

The members of the Keesler-Hamrick-Gillespie Post 29 are 100 per cent back of the movement to erect protection levees around Greenwood to prevent repetition of the flood last winter. Action was taken at the regular meeting of the post (August 8, 1932) by appointing a committee to assist in every way possible in the movement to rush the protection levees. Action in speeding up the levee work is expected to follow soon after a report of a committee headed by Judge W. M. Hammer is made to the Chamber of Commerce.
